Sandpoint Little League offers a great youth baseball program with the support of our community. Our program teaches the fundamentals of baseball and softball, sportsmanship and teamwork. It also offers sponsoring businesses an opportunity to connect with a quality youth sports program while enjoying affordable advertising. All donations are tax deductible.

Sandpoint Little League is supported by player fees, fundraisers, and your generous support. Your contributions help us to upgrade and replace equipment, purchase uniforms, pay for insurance, plan field improvements, and pay City fees. We offer several sponsorship options to fit your budget.

1. \$400.00 Team Sponsor (Majors)

Team sponsorship includes your business name on each player's uniform, a wall plaque with your team's picture and your business name as well as an annual sponsorship decal for your front window.

2. \$300.00 Team Sponsor (Minors, Rookie, & T-ball)

Team sponsorship includes your business name on each player's uniform, a wall plaque with your team's picture and your business name as well as an annual sponsorship decal for your front window.

3. \$65.00 Player Scholarship

Occasionally we have players who need assistance with their fees. Your donation will help all players who need a scholarship.
